The animals are numbered as they appear on page 13:

It's my great hunting skills that make me associated with war."

I am animal number 1.

"I love living in Africa's lakes and rivers."

I am animal number 8.

"My horn is valuable to the Kushites just like elephant's tusks."

I am animal number 3.

"Both the Kushites and people of the Land of Kemet draw their chief god (called Amun or Amen) as a man with my head!"

I am animal number 9.

"Number 4 is a relative of mine!"

I am animal number 5.

"My feathers are a Nile valley symbol for justice and good."

I am animal number 7.

"Number 10 and I are the same African cat – just in different skins!"

I am animal number 6.

"The Kushites sometimes decorate my horns!"

I am animal number 2.

"Number 6 and I are the same African cat – just in different skins!"

I am animal number 10.

"I am very shy, I come from central Africa."

I am animal number 4.
